

CAPABILITY STATEMENT

Goat-Trail Austere Medical Solutions, Inc. (GAMS) delivers specialized medical training, combining online and in-person instruction tailored to agencies' needs. Leveraging real-world experiences from challenging environments, our experts prepare Federal, State, Local, Military, EMS, Fire, and SWAT teams with essential skills for austere and tactical scenarios. Our curriculum focuses on practical knowledge, innovative problem-solving, and readiness for high-stakes situations, positioning GAMS as a leader in medical training for demanding environments.
